

**Audiologists!!! Have you ever dreamed about living in Lethbridge Alberta?** *Probably not. To be honest neither did my colleague or myself but here we are loving it! We are a busy "drama free" standalone private practice, focused on adult hearing care. Our clinic is located in a small city of 100,000 people, within a short drive to the mountains and fast commuting from anywhere in the city.*

*Our clinic was established in 2015 and is situated in a new beautiful spacious building. We are a forward thinking group and constantly strive to give our clinicians the latest tools they need to provide exceptional patient care. We are looking for a full time audiologist, preferably with 1 to 2 years of experience in fitting hearing aids to adults. New graduates would be welcome to apply and mentoring would be provided.*

**What we Offer:**

- Competitive salary
- Excellent medical benefits
- Fitness/Exercise membership (we are a very active fit group)
- 3 weeks vacation
- Professional development
- Paid annual professional membership dues
- "Waterton Seminars"

**Daily tasks and responsibilities**

- Hearing assessments, OAEs, QuickSIN, TEN, AMTAS
- Perform tinnitus assessments.
- Make ear impressions and ear molds, order instruments.
- Program hearing aids
- Fit hearing aids with REM and assist with any adjustments, questions or problems.
- Counsel patients.
- Maintain documentation and patient files.
- Ideas and suggestions for making our patient care better

**Qualifications**

- 1-2 years hearing aid dispensing experience preferred.
- New grads will be considered, mentoring and training provided (we don't bite)
- Ability to be licensed, or hold a current license with ACSLPA.
- The ability to work in a team environment.
- The ability to interact professionally at all times with patients, audiologists, hearing instrument specialists and physicians, as well as other team members.
- Sense of humor.
