Position Description:

Pediatric Speech & Developmental Services (PSDS) is looking to contract/hire a Speech-Language Pathologist effective immediately! PSDS is a private speech and language clinic dedicated to serving clients in the Peace Region including Dawson Creek, Fort St. John, and Chetwynd. Our philosophy is to provide client centered care while taking a developmental approach to intervention. We provide services to clients with a variety of speech and language needs from 0-18 years old.

We are looking forward to welcoming another Speech-Language Pathologist to our growing team in order to provide even more services to the Peace Region and our upcoming clinics in Prince George and Surrey, BC.

What you bring to the team:

- Master's Degree in Speech-Language Pathology, or equivalent,
- Registered with the College of Speech and Hearing Health Professionals of BC,
- Knowledge of screening and assessment tools used in Speech-Language Pathology,
- Knowledge of materials and strategies appropriate for supporting clients with complex needs,
- Experience working with children, including children with developmental delays, their families, and other professionals,
- Being on the RASP (Registry of Autism Service Providers) is an asset, but not required,
- Excellent communication, interpersonal, organizational, and conflict resolution skills,
- Ability to work collaboratively with other professionals on the PSDS team as well as in the community,
- Experience with technology and related software to support learning,
- Access to reliable transportation is required,
- Vulnerable sector criminal record check,
- New grads welcome!
