Introductory Poll Question(s)

THE UNIVERSITY OF BRITISH COLUMBIA
School of Audiology & Speech Sciences
Faculty of Medicine

Learning Objectives

Focus of today:

- **Clinical Community building:** let's get to know each other better
- **Capacity and Confidence building:** feel positive about taking students
- **Network building:** knowing your fellow Clinical Educator (CE) community better and knowing where to access support as a CE

Asking Questions

- Ask a question by using the “Raise Hand” function on Zoom
- Panelists will answer questions as they arise:
 - Before asking your question, introduce yourself, state your profession and where you work
- If your question is not answered and the event is wrapping up, please type it into the chat box

Faculty of Medicine

Panel Question #1

What was your biggest worry when you started as a Clinical Educator? Do you still have that worry now?

 THE UNIVERSITY OF BRITISH COLUMBIA
School of Audiology & Speech Sciences
Faculty of Medicine

Panel Question #2

What is one piece of advice you would share with potential or relatively new Clinical Educators who think they are not ready to supervise students?

 THE UNIVERSITY OF BRITISH COLUMBIA
School of Audiology & Speech Sciences
Faculty of Medicine

Panel Question #3

What is one thing being a Clinical Educator has taught you so far about student mentorship?

 THE UNIVERSITY OF BRITISH COLUMBIA
School of Audiology & Speech Sciences
Faculty of Medicine

Thank You!

- All questions from today’s event and any unanswered questions in the chat will be reviewed and posted on the Clinical Educator [Community of Practice](https://clinicaled.audiospeech.ubc.ca/) website
 - <https://clinicaled.audiospeech.ubc.ca/>
- Jamie will email all attendees a Certificate of Attendance
- A Feedback Questionnaire will also be emailed:
 - Thank you in advance for completing this.
 - We welcome your valuable feedback for planning future events like this one.
