

CONFIDENT KIDS SPEECH THERAPY

SPEECH LANGUAGE PATHOLOGIST OPENING

Confident Kids Speech Therapy is looking to add a wonderful clinician to the team!

We offer services that are family-centered and play-based for children from birth to 18.

We are currently offering a part-time role, with the opportunity to become full-time in the near future.

Looking for a clinician to fill:

-after school hours (weekdays), Friday (full day), and a weekend day (flexible weekend hours).

The successful candidate must be registered with the BC College of Speech and Hearing Health Professionals. Experience working with pediatric populations is essential. We offer support and mentorship, as well as professional development opportunities.

Successful applicants must be prepared for a caseload consisting of:

- Early intervention communication support (birth to kindergarten)
- Caregiver coaching
- Speech sound difficulties (articulation, phonological, motor speech)
- Language support (developmental language disorder)
- Fluency
- Social skill support
- Communicative support for Autistic individuals

If you are a clinician looking to join our team, please send your CV and cover letter to info@CKspeech.ca
