

COME JOIN OUR TEAM!

West Island Speech Therapy is a private speech-language pathology clinic located in the heart of the West Island of Montreal, Quebec with satellite clinics opening in the various parts of the greater Montreal area. West Island Speech Therapy is committed to providing evidence-based and highly specialized treatment to children and adolescents. The clinic is housed in a multidisciplinary environment comprised of speech therapy, occupational therapy, social work, psycho-educators, specialized educators and a psychologist.

West Island Speech Therapy is well-known and has a healthy referral base from CLSCs, schools, pediatricians, orthodontists and other professionals.

We are looking for SLPs to join our team and work in a collaborative, flexible and stimulating work environment. Both in-person and virtual opportunities are available.

You are a candidate if you:

- Are interested in mentorship and support;
- Would like to benefit from the guidance of experienced SLPs with specific areas of expertise in motor speech disorders, phonological disorders, preschool language difficulties, social communication impairments and more;
- Seek a flexible work schedule;
- Would like to select your own clientele;
- Would like to control the size of your caseload;
- Enjoy the status and autonomy of being an independent professional;
- Are a member in good standing of the O.O.A.Q.
- Are an English or bilingual French/English speaker

Interested candidates are asked to email their resume to Keren Ritter (keren@westislandspeechtherapy.com). We are looking forward to hearing from you!
