

# **Job description**

## **Company description**

We are Speak Fluent ([www.speakfluent.ca](http://www.speakfluent.ca)), an online private practice with registered speech therapists. We work primarily with clients who are seeking communication services as a form of professional development.

Our mission is to provide solutions to help people become confident in the way they speak, so that others can really hear what they have to say. We believe that when you improve your speaking skills, people will pay attention to what you're saying, not how you're saying it.

## **Job description**

This position will be a contract position providing virtual therapy services to adults and will be permanently remote only. This is a contractual position for 12 months with opportunity to extend if the fit is right.

Our work with clients is on a 1-on-1 basis and sessions are conducted online through teleconferencing. The successful candidate is preferred to have previous experience working 1-on-1 with high-functioning adults, as well as previous experience working with accent modification, enunciation, public speaking and/or voice use.

## **Benefits:**

- Flexible hours
- Remote, Work from home
- Bonuses depending on performance and/or hours worked
- Monthly professional development opportunities

**Requirements:**

- Education: A Master's Degree or equivalent in Speech Language Pathology.
- License: Must be registered or eligible to be registered with the **College of Audiologists and Speech Language Pathologists of Ontario (CASLPO)**
- Proof of professional liability insurance.
- Be courteous, positive, and professional with all staff and clients.
- Committed to providing culturally sensitive and empathic professional care to clients.
- Must have a solid understanding of Canadian Culture and Canadian English accent to provide value to our clients.
- Access to a computer, good quality microphone, webcam, and strong internet connection.
- Ability to work independently, and is self-directed.
- Possess strong communication (oral and written) skills with the ability to engage others.
- Possess strong time management and organizational skills.

**Primary Responsibilities:**

- Consultation, assessment, and treatment of communication difficulties via virtual care
- Manage your own records of client progress, goal attainment, assessed needs, etc.
- Monitor client progress toward goals and adjust treatment plans and sessions as needed.
- Actively engage clients to ensure sessions are tailored to client goals.

**Preferred experience:**

- Previous experience working 1-on-1 with high-functioning adults
- Previous experience working with accents/presentations/voice use

**Summary:**

- Job Types: Contract, Part-time, or Full-time
- Contract length: 12 months
- Salary: \$70.00-\$90.00 per hour
- Expected hours: 5 – 30 hours per week
