

## Columbia Speech and Language Services Inc.

Columbia Speech and Language Services Inc. is a private company looking for speech-language pathologists to provide assessment and treatment services with pediatric and adult populations. Join our established clinic as a **Consultant Speech-Language Pathologist** and become a member of our dynamic team of clinicians!

**Location:** Greater Vancouver / Fraser Valley

**Rate:** \$85.00 to \$110.00 hourly

**Job Type:** Contract- Full-time

### **About Us**

Columbia Speech and Language Services Inc. is a leading provider of speech and language services in the Lower Mainland and Fraser Valley, catering to clients of all ages with diverse communication needs. We are committed to excellence, collaboration, and delivering individualized services to our clients and their families in their homes and communities.

### **Your Role**

As a Consultant Speech-Language Pathologist, you will provide the following services:

- Assess and treat clients with speech, language, cognitive language and voice disorders.
- Maintain accurate and timely documentation including written assessment and progress reports.
- Collaborate with multidisciplinary teams to develop functional treatment plans.
- Consult regularly with families, caregivers, and other professionals to support therapeutic goals.
- Participate in continuing education workshops and clinic initiatives.

### **What We're Looking For**

- A Master's degree in Speech-Language Pathology or equivalent.
- Current registration with College of Health and Care Professionals of British Columbia.
- Membership to SAC and Speech and Hearing BC encouraged.
- Strong clinical skills and experience with diverse populations.
- Exceptional communication and interpersonal skills.
- A flexible, independent, and professional attitude.
- Valid drivers licence and vehicle for travel.

## **Why Join Us?**

- Flexible consulting hours to suit your schedule.
- Competitive compensation.
- Access to materials and resources.
- A collaborative, supportive, and welcoming team.
- Opportunities for ongoing professional development.

If you're ready to bring your expertise and enthusiasm to a clinic that values your contributions, we'd love to hear from you!
